

## **December In-person Event and Holiday Celebration December 7, 2022**

---

**Free Educational Event and Holiday Party**

The UNY Chapter of ARMA International has a gift for its members and other RIM professionals in Upstate New York: a free educational event with lunch and a Holiday party too!

---

Join us December 7<sup>th</sup> to talk about records management challenges and lessons learned. Pat Franks will lead us in a round table discussion where we can share some things that have worked well for us and some things that may not have. It will be a fun time to share some insight or stories relating to records management.

## BRING BOOKS FOR CHILDREN!

We will be again collecting new or gently used children's books to donate to the Syracuse Samaritan Center to give to the children in the community. If you would like to participate, please bring a book(s) to the holiday event. For more information about the Samaritan Center, you can check out their [website](#).
